Notes:  
(1) May through June 2018 are RAAIM advisory months. RAAIM charges and payments are not assessed.  
\*\*\*The Average Actual Availability Percentage from May onwards reflects separate reporting for Generic and Flex.  
\*\*\*The values for charges and payments reflect the settlement statements that have been produced as of June 2019 but the final values may change based on further recalculation settlement statements.
