

FEDERAL ENERGY REGULATORY COMMISSION
WASHINGTON, DC 20426

OFFICE OF ENERGY MARKET REGULATION

California Independent System Operator Corporation
Docket No. ER23-426-002

Issued: April 11, 2023

On March 23, 2023, the California Independent System Operator Corporation (CAISO) filed revisions to its Open Access Transmission Tariff¹ in compliance with the directives in a Commission order issued on February 23, 2023² regarding the cybersecurity and parallel flow visualization related requirements of Order No. 676-J.³ The revisions are in satisfactory compliance with the February Order. Pursuant to authority delegated to the Director, Division of Electric Power Regulation – West, under 18 C.F.R. § 375.307, the revisions are accepted for filing, effective February 23, 2023, as requested.

The filing was publicly noticed. No protests or adverse comments were filed. Pursuant to Rule 214 of the Commission’s regulations (18 C.F.R. § 385.214), notices of intervention, timely-filed motions to intervene, and any unopposed motions to intervene out-of-time filed before the issuance date of this order are granted.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed document(s); nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the CAISO.

This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.
