

UNITED STATES OF AMERICA
FEDERAL ENERGY REGULATORY COMMISSION

Standardization of Small Generator
Interconnection Agreements and
Procedures

Docket No. RM02-12-000

NOTICE OF EXTENSION OF TIME

(November 4, 2005)

On October 5, 2005, the California Independent System Operator Corporation (CAISO) filed a motion for an extension of time to make compliance filings on Small Generator Interconnection Procedures (SGIP) and Small Generator Interconnection Agreements (SGIA) as required by the Commission Order No. 2006 issued May 12, 2005, in the above-docketed proceeding. *Standardization of Small Generator Interconnection Agreements and Procedures*, 111 FERC ¶61,220 (2005). The motion states that the CAISO requires additional time to incorporate stakeholder input in developing the SGIP and SGIA compliance filings. CAISO further states that the press of the other stakeholder initiatives has delayed the development of a stakeholder process focusing on these SGIP and SGIA compliance filings.

Upon consideration, notice is hereby given that an extension of time for the CAISO to make SGIP and SGIA compliance filings is granted to and including February 10, 2006, as requested by the CAISO.
