**Subject:** July 7th San Francisco Stakeholder Study Group Meeting

San Francisco Stakeholder Study Group (SFSSG) Members,

Our next meeting has been scheduled as follows:

Thursday July 7th, 2005  
10 AM to 3 PM  
Pacific Gas & Electric Co. Office  
Third Floor Conference Room, # 300  
77 Beale Street  
San Francisco, CA

An draft agenda for the meeting is attached.

Please RSVP by Wednesday July 6th to Eric Smelser (Email [EJSg@pge.com](mailto:EJSg@pge.com), phone 415-973-1392). Attendees should enter the 77 Beale Street building at the Beale Street entrance by the waterfall and report to the guard station for sign in. Note that not providing an RSVP may delay entrance to the meeting room. Lunch will not be served, but there are many sandwich shops and restaurants close by.

The primary purpose of this meeting will be to present additional findings of the ISO's economic study.

The Cal-ISO looks forward to working with all stakeholders in this continuing process of developing a long-term transmission plan for serving load growth within the San Francisco Peninsula Area. Should you have any questions regarding this meeting, please do not hesitate to contact Sandeep Arora at (916) 351-2431 ([sarora@caiso.com](mailto:sarora@caiso.com)) or Gary DeShazo (916) 608-5880 ([Gdeshazo@caiso.com](mailto:Gdeshazo@caiso.com) <<mailto:Gdeshazo@caiso.com>>).

Thanks,

Larry

Larry Tobias  
Senior Grid Planning Engineer  
California ISO
