

WHAT WE STAND FOR

OUR MISSION

For the benefit of our customers, we:

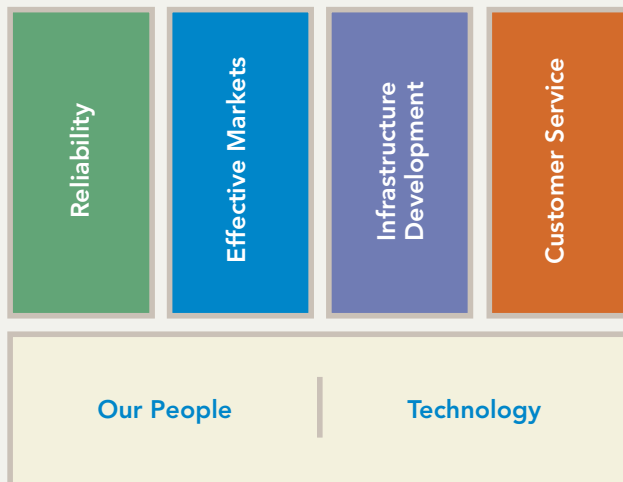

- Operate the grid reliably and efficiently
- Provide fair and open transmission access
 - Promote environmental stewardship
- Facilitate effective markets and promote infrastructure development

All through the provision of timely and accurate information

OUR VISION

California ISO strives to be a world-class electric transmission organization built around a globally-recognized and inspired team providing cost-effective and reliable service, well-balanced and transparent energy market mechanisms, and high-quality information for the benefit of our customers.

THE CORNERSTONES

CORE VALUES

Integrity

We are honest, ethical and trustworthy with each other and stakeholders in all business dealings, reflecting the highest professional standards.

Teamwork

We strive for one common vision and are inspired by working together, with clear points of accountability, to be a world-class organization in meeting corporate objectives and serving our customers.

Excellence

Internal and external excellence—we earn customer trust based on our quality, competence and discipline in our business dealings.

People-Focused

We value diversity, promote employee development, support work/life balance and foster an invigorating and fulfilling work environment.

Open Communication

We seek out diverse ideas and opinions, value transparency, promote “thought leadership” and openly share information both internally and externally.
