NOTICE OF EXTENSION OF TIME

(November 17, 2011)

On November 17, 2011, California Independent System Operator Corporation (CAISO) filed a motion for an extension of time to file the compliance filing directed in the Commission's October 20, 2011 Order on Motions for Clarification, Requests for Rehearing, Motion to Lodge and Compliance Filing regarding CAISO's Revised Transmission Planning Process (RTPP).¹ The Commission found that CAISO's proposed tariff sections 24.4.6.2 and 24.4.6.4 did not comply with the Commission's directives in the Commission's December 16, 2010 Order on the RTPP.² The Commission also found that CAISO must revise tariff section 24.5.2.3 (a).³ CAISO states that the compliance requirement for tariff sections 24.4.6.2 and 24.4.6.4 requires CAISO to develop a metric, as well as a study methodology for calculating and applying the metric. CAISO states that its resources are currently devoted to completing the necessary studies for the 2011/2012 planning cycle. Therefore, CAISO requests an extension of time until December 2, 2011, to allow it to fully develop the study methodology.

Upon consideration, notice is hereby given that CAISO is granted an extension of time to comply with the Commission's directives in the RTPP Order on Clarification,

¹ *Cal. Indep. Sys. Operator Corp.*, 137 FERC ¶ 61,062 (2011) (RTPP Order on Clarification, Rehearing and Compliance).

² *Cal. Indep. Sys. Operator Corp.*, 133 FERC ¶ 61,224 at P 60 and P 71.

³ RTPP Order on Clarification, Rehearing and Compliance, 137 FERC ¶ 61,062 (2011) at P 38.
