Docket No. ER12-50-000

ORDER OF CHIEF JUDGE GRANTING
MOTION TO INTERVENE OUT-OF-TIME

(Issued March 14, 2012)

1. On February 27, 2012, Dynegy Marketing and Trade, LLC, Dynegy Moss Landing, LLC, Dynegy Morro Bay, LLC, Dynegy Oakland, LLC, and Dynegy Power Marketing, LLC (collectively, Dynegy) filed a *Motion to Intervene Out-of-Time*. Dynegy expressed that it has a direct and substantial interest in this proceeding that cannot be adequately represented by any other party. Dynegy represents that its late-filed motion to intervene is due to administrative oversight. No objections to Dynegy's motion to intervene were filed.

2. The Chief Judge finds no undue prejudice or delay will result from the granting of Dynegy's late-filed motion to intervene. For good cause shown, Dynegy's late-filed motion to intervene, which demonstrated an interest in this proceeding that cannot be adequately protected or represented by any other party, is hereby granted subject to the Commission's Rules and Regulations. Dynegy's participation shall be limited to matters affecting asserted rights and interests specifically set forth in its motion to intervene. The intervention granted herein shall not be the basis for broadening the issues nor for delaying or deferring any matters in this proceeding. Further, Dynegy will accept the record as it stands and participate in the settlement proceedings in good faith. Dynegy will send a representative with authority to agree to terms and participate in the settlement proceedings.

3. The Chief Judge strongly encourages electronic filings. See 18 C.F.R. § 385.2001(a)(1)(iii) and the instructions on the Commission's website under the "Documents & Filing" tab.
