Reference: Compliance Filing

Dear Ms. Burns:

On October 31, 2011, the California Independent System Operator Corporation (CAISO) submitted for filing a tariff revision in compliance with the Commission's September 30, 2011 Order in Docket No. ER11-4176-000.¹ Specifically, CAISO's proposed tariff revision clarifies CAISO Tariff Section 11.29.7.3.1. Specifically, CAISO states that it has added a provision to indicate that, for purposes of determining whether the \$1,000,000 threshold for issuing the unscheduled recalculation settlement statement has been met, CAISO will calculate the financial impact resulting from an error based on the dollar value of the charges that were mistakenly assessed due to the error. CAISO's revised tariff section is accepted for filing, effective October 31, 2011, as requested.

This compliance filing was noticed on November 1, 2011, with comments, protests, or motions to intervene due on or before November 21, 2011. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.
