Re: California Independent System Operator Corporation  
Informational Filing of Effective Date of Rules of Conduct Tariff Amendment  
Docket No. ER24-872-000

Dear Secretary Reese:

On January 12, 2024, the California Independent System Operator Corporation (CAISO) proposed tariff amendments to update parts of Section 37 of the CAISOs tariff, known as the rules of conduct. By letter order issued March 22, 2024, the Commission accepted these tariff amendments and directed the CAISO to submit an informational filing to inform the Commission of the actual effective date within 30 days of implementation.¹

The CAISO implemented the tariff changes for the rules of conduct initiative on April 1, 2024. Accordingly, the CAISO is submitting this informational filing to specify an effective date of April 1, 2024 for the tariff revisions accepted by the Commission in this docket.²

² Specifically, this informational filing updates the effective date for all Tariff Records submitted in the initial filing on January 12, 2024. The CAISO is submitting the informational filing in eTariff using Type of Filing Code 150.
The CAISO has served copies of this filing on all the parties to the service list for this proceeding. In addition, the CAISO is posting this filing on the CAISO website.

If there are any questions concerning this filing, please contact the undersigned.

Respectfully submitted,
