Reference: Extension of term of Participating Load Agreement

Dear Mr. Anders:

On June 28, 2013, California Independent System Operator Corporation (CAISO) submitted for filing a revised Participating Load Agreement (Agreement) with the California Department of Water Resources under CAISO's Open Access Transmission Tariff. CAISO proposes to extend the term of the Agreement from July 1, 2013 to November 15, 2013. The revised Agreement is accepted effective July 1, 2013, as requested.

This filing was noticed on July 1, 2013 with comments, protests, or motions to intervene due on or before July 19, 2013. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

by the Commission in any proceeding now pending or hereafter instituted by or against your company.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action.
