**Re: California Independent System Operator Corporation  
Docket No. ER06-1360-\_\_\_\_  
Transmission Control Agreement, Rate Schedule No. 7**

Dear Secretary Salas:

On August 11, 2006, the California Independent System Operator Corporation ("CAISO"), submitted an amendment to the Transmission Control Agreement ("TCA") among the CAISO and Participating Transmission Owners. It has come to the CAISO's attention that a single amended TCA clean sheet was inadvertently omitted from this filing. (The relevant changes shown on that clean sheet were submitted correctly in blackline form.) I am therefore submitting the clean sheet in question, Second Revised Sheet No. i, as Attachment A to the instant filing. I apologize for any inconvenience the omission of this Sheet from the August 11 filing may have caused, and request that the Commission and any interested parties reviewing the record rely on this Sheet as an intended accompaniment to the August 11 TCA amendment filing in the above-referenced docket.

The Honorable Magalie R. Salas

Two additional copies of this filing are enclosed to be date-stamped and returned to our messenger. If there are any questions concerning the filing, please contact the undersigned.

Respectfully submitted,

A handwritten signature in black ink, reading "Bradley R. Miliauskas". The signature is written in a cursive style with a horizontal line underneath the name.

Bradley R. Miliauskas  
Counsel for the California Independent  
System Operator Corporation
