Reference: Notice of Termination

On October 24, 2018, Metcalf Energy Center, LLC (Metcalf) filed a notice of termination of its Reliability Must-Run Service Agreement with California Independent System Operator Corporation designated as Rate Schedule FERC No. 1.¹ The notice of termination is accepted for filing, effective December 31, 2018, as requested.

This filing was noticed on October 24, 2018, with comments, protests, or motions to intervene due on or before November 14, 2018. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against Metcalf.
