

# Decision on Implementing the EIM Governance Review Committee's Part One Proposal

Dan Shonkwiler, Assistant General Counsel – Corporate &  
Litigation

Board of Governors Meeting  
General Session  
July 15, 2021

The Governance Review Committee's "part one proposal" recommends refinements of ISO governance.

- Approved in May 6 joint meeting
- Changes summarized in Part One Draft Final Proposal
- Three documents to revise
  - Charter for EIM Governance
  - Selection Policy for the EIM Governing Body
  - DMM Oversight Committee Charter

## Governing Body advisory authority for proposed changes to the Charter and Selection Policy.

- EIM Charter and Selection Policy are Board approved policies that are subject to EIM Governing Body advisory input for substantive changes
- Before seeking Board approval, Management sought and received Governing Body advisory opinion supporting the proposed changes
- Recommended changes to Sections 5 and 6 of EIM Charter go on Board's consent agenda

## Redlines in the Selection Policy reflect the following changes:

- Representative of Public Interest & Consumer Advocate sector becomes voting member
- Emphasize obtaining diverse perspectives
- Nominating Committee may propose that sitting Governing Body member hold over up to 60 days
- Cleanup edits

## Redlines to the Charter for EIM Governance reflect the following changes outside Sections 5 and 6:

- Possible 60-day holdover of sitting member with an expiring term if requested by Nominating Committee
- Market analysis section
  - Joint approval of MSC appointments
  - Non-voting participation on DMM Oversight Committee
  - Authority to retain Governing Body Market Expert
- Re-evaluation of EIM Governance within five years

Redlines to the Charter for EIM Governance also include changes to Section 6 regarding the Regional Issues Forum:

- Remove prohibitions on RIF discussing and taking position on issues in ongoing stakeholder process
- Adjust sectors that select RIF liaisons
- RIF report standing agenda item for Governing Body

## Other Governance Review Committee recommendations identified:

- Delegation of authority (deferred)
- Governing Body's mission
- Funding for Body of State Regulators
- BOSR meetings to include representatives of publicly-owned utilities and federal power marketing administrations
- Cost allocation for Governing Body Market Expert
