|---|--------------------------|
| California ISO  | Version: 1.0             |
| Estimation of Weekly Invoice Published October 25, 2016 | Last Updated: 10/26/2016 |

Consistent with Section 11.29.10.5 of the CAISO tariff, the ISO has estimated the weekly invoice published on October 26, 2016 as the sum of initial bill period 10/17-10/23/2016 and T+12B bill period 10/01-10/02/2016. T+12B bill period 10/03-10/09/2016 will be included on the next available invoice scheduled for publication on Wednesday, November 2, 2016. A market notice was distributed on October 26, 2016 to notify market participants of estimated invoice.

Additionally, T+12B recalculation bill period 10/01-10/02/2016 originally scheduled for inclusion on the weekly invoice published October 19, 2016, is reflected on the October 26, 2016 invoice.
