ORDER OF CHIEF JUDGE SUSPENDING PROCEDURAL SCHEDULE

(Issued February 25, 2003)

1. Upon the motion of the California Independent System Operator Corporation (ISO), filed February 18, 2003, seeking suspension of the procedural schedule now in effect in these proceedings; upon ISO's representation that the parties are moving toward a settlement; upon ISO's further representation that suspension of the procedural schedule will relieve the parties from the necessity of filing testimony and exhibits at this time; upon ISO's further representation that the motion is not opposed by any party to its knowledge; there being thus no valid reason to await answers to the motion; and good cause appearing, it is ordered that the procedural schedule now in effect in these proceedings is suspended until otherwise ordered in writing.
