

**UNITED STATES OF AMERICA
BEFORE THE
FEDERAL ENERGY REGULATORY COMMISSION**

California Independent System) Docket No. ER13-69-____
Operator Corporation)

**MOTION OF THE CALIFORNIA INDEPENDENT SYSTEM OPERATOR
CORPORATION FOR ONE-DAY EXTENSION OF TIME TO FILE RESPONSE
TO COMMISSION STAFF’S DECEMBER 10, 2012 LETTER**

The California Independent System Operator Corporation (“ISO”) respectfully requests an extension of time to submit its response to the Commission Staff’s December 10, 2012 letter requesting additional information in order to evaluate the tariff amendment filed in this proceeding on October 10, 2012. Specifically, the ISO requests an extension of time of one calendar day, until January 17, 2013, to provide its responses to the questions posed in the December 10 letter.¹

I. Motion for Extension of Time

The ISO’s responses to the December 10 letter were due on January 16, 2013.² Due to technical difficulties with the ISO’s filing software, the ISO was unable to file the responses in eTariff by 5:00 p.m. on January 16. The ISO was able to file the responses in eTariff on January 17, 2013. Therefore, good cause exists to grant the ISO a one-day extension of time to file the responses.

¹ The ISO submits this motion pursuant to Sections 212 and 2008(a) of the Commission’s Rules of Practice and Procedure, 18 C.F.R. §§ 385.212, 385.2008(a).

² See Notice of Extension of Time, Docket No. ER13-69-000 (Jan. 10, 2013).

II. Conclusion

For the reasons set forth above, the ISO respectfully requests that the Commission grant this motion for extension of time until January 17, 2013 for the ISO to file its responses to the Commission Staff's December 10 letter in this proceeding.

Respectfully submitted,

Nancy Saracino
