Re: California Independent System Operator Corporation – Filing of Certificate of Concurrence Relating to the Non-conforming Large Generator Interconnection Agreement Submitted in Docket No. ER22-516-000

Docket No. ER22-____-000

Dear Secretary Bose:

I. Overview and Designated Filer

On December 1, 2021, APS submitted the LGIA in Docket No. ER22-516-000, with a requested effective date of November 29, 2021. In that filing, APS explained that the LGIA includes non-conforming language to integrate the conforming elements of the CAISO’s Commission approved pro forma Large Generator Interconnection Agreement. This integration was made to facilitate the project interconnecting 500 MW of solar PV generation and 435 MW Battery Energy Storage System into both the APS and CAISO systems at the Hoodoo Wash 500kV Switchyard (co-owned by APS, SDG&E, and IID).

Additionally, APS requested, pursuant to Section 35.11 (18 C.F.R. § 35.11) of the Commission’s regulations, a waiver of the 60-day prior notice requirements specified in Section 35.3 (18 C.F.R. § 35.3) and requested that the Commission assign an effective

date of November 29, 2021 to the LGIA, which is two days prior to APS’s filing of the LGIA.

Rather than filing a duplicate version of the LGIA under the CAISO tariff, the CAISO is submitting a concurrence tariff record. The concurrence tariff record is designated under the CASO tariff as Service Agreement No. 7003.

APS serves as the “designated filer” to the LGIA pursuant to the Joint Tariff Filing procedures outlined in Order No. 714.2 APS filed the service agreement under APS’s Open Access Transmission Tariff (“OATT”) and designated it as Service Agreement No. 396.

II. Proposed Effective Date and General Request for Waivers

The CAISO respectfully requests any waivers of the Commission’s filing regulations necessary to establish an effective date of November 29, 2021 for its Certificate of Concurrence for the LGIA, consistent with the November 29, 2021 effective date that APS requested in its December 1, 2021 filing. To the extent that the enclosed materials and information do not meet the detailed filing requirements of the Commission’s regulations, the CAISO respectfully requests that the Commission grant any necessary waivers.
