**Re: California Independent System Operator Corporation
Docket No. ER12-2209-000**

**Errata to Filing of Service Agreement No. 2567
Unexecuted Non-Conforming Small Generator Interconnection
Agreement**

Dear Secretary Bose:

The California Independent System Operator Corporation hereby submits the errata provided below to the transmittal letter for the unexecuted Small Generator Interconnection Agreement (SGIA) among Western Antelope Blue Sky Ranch A, LLC (Blue Sky Ranch), Southern California Edison Company (SCE), and the ISO, which the ISO filed in this proceeding on July 5, 2012.

The transmittal letter for the SGIA incorrectly stated that the Blue Sky Ranch project and its companion project, the Western Antelope Dry Ranch (Dry Ranch) project, are wind projects. In fact, they are solar projects. The transmittal letter also incorrectly stated that the Blue Sky Ranch project and the Dry Ranch project are of similar size, *i.e.*, 20 MW. The Blue Sky Ranch project is 20 MW, but the Dry Ranch project is 10 MW.

The ISO apologizes for any confusion its transmittal letter may have caused. If there are any questions regarding this errata filing, please contact the undersigned.
