Docket No. ER12-1855-000

NOTICE EXTENDING COMMENT PERIOD

(June 15, 2012)

On June 11, 2012, the American Wind Energy Association filed a motion to extend the period for filing interventions and protests in response to California Independent System Operator Corporation's (CAISO) May 25, 2012 tariff filing, in the above-referenced proceeding, to amend its transmission planning process and generator interconnection procedures (*see Combined Notice of Filing #1*, May 29, 2012).

Upon consideration, notice is hereby given that the date for filing interventions and protests in response to CAISO's May 25, 2012 tariff filing is extended to and including June 22, 2012.

Kimberly D. Bose,
Secretary.
