Re: *California Independent System Operator Corporation*
Docket No. ER10-319-_____

Errata to March 1, 2010 ISO Response

Dear Secretary Bose:

On March 1, 2010, the California Independent System Operator Corporation (“ISO”) filed a response in the above-referenced proceeding (“March 1 Response”) to a letter that Commission Staff sent to the ISO on January 29, 2010. The January 29, 2010, letter requested additional information related to an amendment to the ISO tariff filed in this proceeding on November 25, 2009. The March 1 Response included a number of attachments, among which were Attachment A, the declaration of James Blatchford, Senior Stakeholder Engagement and Policy Specialist for the ISO, and Attachment B, the declaration of Clyde Loutan, Senior Advisor for the ISO. Due to an administrative oversight, these declarations did not, however, include the signature pages executed by the declarants on March 1. The ISO hereby corrects that omission by providing, in Attachment 1 hereto, signature pages for the declarations executed by Mr. Blatchford and Mr. Loutan.

The Honorable Kimberly D. Bose
