**Informational Filing Regarding Effective Dates of  
Agreements Effective for MRTU**

Dear Secretary Bose:

In letter orders issued in the above-referenced proceedings, the Commission directed the California Independent System Operator Corporation ("ISO") to make, prior to the implementation of the ISO's Market Redesign and Technology Upgrade ("MRTU") program, informational filings specifying the effective dates of the agreements filed in those proceedings.<sup>1</sup> Pursuant to these Commission directives, the ISO submits the instant filing to specify that these agreements will be effective March 31, 2009.

The agreements in the above-referenced proceedings were filed by the ISO with a request that they be made effective as of the implementation date of MRTU. The agreements, and the proceedings in which they were filed and accepted by the Commission, are the following:

ER09-188: Amended and Restated Metered Subsystem Agreement  
between the ISO and the City of Riverside

---

<sup>1</sup> See *California Independent System Operator Corp.*, 126 FERC ¶ 61,209, at Paragraph 15 (2009) (issued in Docket No. ER09-292), and the first paragraph of each of the other letter orders issued in the other dockets listed above.

The Honorable Kimberly D. Bose

March 30, 2009
