Reference: Tariff Amendment- Non-Dynamic System Resources in the HASP

Dear Mr. Ivancovich,

On December 23, 2009, the California Independent System Operator Corporation (CAISO) submitted for filing tariff revisions enabling the procurement of Ancillary Services from Non-Dynamic System Resources through the Hour-Ahead Scheduling Process (HASP). The revisions are accepted, as amended by the CAISO in their answer, effective April 1, 2010.

Notice of filing was issued on January 4, 2010, with comments, protests, or motions to intervene due on or before January 12, 2010. Motion to intervene and comments were submitted by Powerex Corp. (Powerex) on January 12, 2010, and the CAISO submitted answer on January 27, 2010. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

In its comments, Powerex generally supports the CAISO's filing, and submits that, as it appears in the tariff, "Non-Dynamic Hourly Resource" should be "Non-Dynamic System Resource", the term defined in the CAISO tariff. The CAISO commits to modify this term in its answer. The CAISO must file the revision within 30 days of the date of this letter order.

This action does not constitute approval of any service, rate, charge, classification, or any rule, regulation, contract, or practice affecting such rate or service provided for in the filed documents; nor shall such action be deemed as recognition of any claimed contractual right or obligation affecting or relating to such service or rate; and such action is without prejudice to any findings or orders which have been or may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against the California Independent System Operator Corporation.

This action is taken pursuant to authority delegated to the Director, Division of Electric Power Regulation - West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order, pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director  
Division of Electric Power  
Regulation – West
