Updates

A Market Planning and Performance Forum was held on July 10, 2019. Materials are available at: <http://www.aiso.com/Pages/documentsbygroup.aspx?GroupID=19B19B3F-A886-46CD-9860-1B48D76A0B1C>

Weekly Market Performance Report

For June 12-25 2019 and June 26-July 9, 2019, prices are generally quiet as loads are not high and for the summer, there are less generation and transmission outages. On June 12, there is high pricing driven by higher temperatures and higher loads.

There is a new report format for the Weekly Market Performance Report. It is an HTML format that has features that allow users to hover over element to see values, zoom and check and uncheck elements.

Questions on the Updates or Weekly Market Performance Report

Q: What is the reason for the June 29 Path 26 congestion?

A: There was a forced outage on the Pacific DC Intertie, OMS 7087891.

Review of the Price Correction Report

During the week of July 1-5, 2019, there were no price corrections. During the week of July 8-12, 2019, the ISO processed 36 price corrections due to a data input error and a software defect.

General Reminders

- **NOTE:** The current best practice, and preferred method, of asking questions is to route through the **Customer Inquiry, Dispute and Information system, "CIDI"**.
- Please submit your questions ahead of the call; there are occasions when we have to gather information: submission ahead of time allows us more preparation time to reply.
- To add general comments/questions/requests to the **action item list or meeting agenda**, market participants should also open corresponding CIDI tickets with both the Functional

¹ The California ISO (CAISO) hosts this bi-weekly market update conference call, generally at 10:15AM PST bi-monthly on Thursdays. This call is an opportunity for market participants to ask general questions regarding the market. Please send any questions to [CIDI system](#), which includes questions that have proprietary information and that might be commercially sensitive.

Environment as “Market Performance” and SCID as “XPUB” by close of business (COB) on Mondays.
