

The Board Nominee Review Committee is a six member committee from each of the ISO member-class sectors and responsible for reviewing potential candidates for the ISO Board of Governors. Each ISO member-class sector is represented by a sector lead who has accepted the ISO's invitation to serve in that capacity. Additional information regarding the Board Nominee Review Committee may be found in the Board Selection Policy.¹

Member-Class Sector	Name	Email	Phone
Participating Transmission Owners, as defined in Appendix A of the ISO Tariff	Eric Eisenman	Exe3@pge.com	415-254-8733
End-users within the ISO balancing authority area and load-serving entities (including community choice aggregators and energy service providers) that do not own transmission or distribution assets and that serve customers within the ISO balancing authority area	Beth Vaughan	beth@cal-cca.org	925-408-5142
