

II. BACKGROUND

On January 20, 2004, San Diego Gas & Electric Company ("SDG&E") filed revisions to its Transmission Owner Tariff (TO Tariff), FERC Electric Tariff, Original Volume No. 11 and the first revised rate sheets for its TO Tariff to comply with the Federal Energy Regulatory Commission's Order No. 2003.

By its Notice issued January 29, 2004, the Commission established February 10, 2004 as the date motions to intervene are to be filed in the above-captioned proceeding.

III. BASIS FOR MOTION TO INTERVENE

The ISO is a non-profit public benefit corporation organized under the laws of the State of California and responsible for the reliable operation of a grid comprising the transmission systems of Pacific Gas & Electric Company, Southern California Edison Company, San Diego Gas & Electric Company and the Cities of Vernon, Anaheim, Azusa, Banning and Riverside, California. As the operator of this grid, the ISO believes that it has a unique interest in any Commission proceeding concerning the issues raised in the captioned proceeding.

IV. CONCLUSION

For the foregoing reasons, the ISO respectfully requests that the Commission permit it to intervene, and that the ISO be accorded full party status in this proceeding.

Respectfully submitted,

Anthony J. Ivancovich
Senior Regulatory Counsel
California Independent System
Operator Corporation
