

NRG Energy, Inc. Comments on Revised T+35 M Dispute Timeline Straw Proposal

<b>Submitted By</b>	<b>Company</b>	<b>Date Submitted</b>
Brian Theaker	NRG Energy, Inc. ("NRG")	January 6, 2016

NRG strongly supports the CAISO's proposal to (1) issue the T+35 M recalculation settlement statement at T+33 M (T+693 business days instead of T+737 business days) and (2) provide 22 business days instead of five business days to review and dispute charges on that T+33 M recalculation settlement statement.
