Notice of Filing of Agreement

[]

Take notice that on March 29, 2001, the California Independent System Operator Corporation (ISO) tendered for filing the Interconnected Control Area Operating Agreement (ICAOA) between the ISO and Comisión Federal de Electricidad (CFE). The ISO requests waiver of the 60-day prior notice requirement to allow the ICAOA to become effective as of December 1, 2000.

The ISO states that the filing has been served on the Public Utilities Commission of the State of California and Comisión Federal de Electricidad.

Any person desiring to be heard to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 or 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. §§ 385.211, 385.214). All such motions or protests must be filed in accordance with § 35.9 of the Commission's regulations. Protests filed with the Commission will be considered by it in determining the appropriate action to be taken but will not serve to make the protestants parties to the proceeding.
