Re: Notice of Planned Decisional Classification for “Intertie Deviation Settlement”

Any objection by the Chairs to this decisional classification is due by January 17, 2019.

This is formal notice of ISO Management’s decisional classification for the “intertie deviation settlement” initiative. Any objection by the Chairs to the decisional classification is due by January 17, 2019. Otherwise, this initiative will be presented for decision consistent with the classification described below.¹

This initiative falls within the EIM Governing Body’s advisory role (E2). This means that the initiative will be presented to the ISO Board of Governors for approval with any advisory input from the EIM Governing Body that it elects to provide.

This classification is consistent with the classification presented in the Briefing on Policy Outlook at the October 31, 2018 EIM Governing Body meeting.

The draft final proposal for this initiative is located at <http://www.caiso.com/Documents/DraftFinalProposal-IntertieDeviationSettlement.pdf>. Additional relevant papers for this initiative are located <http://www.caiso.com/informed/Pages/StakeholderProcesses/IntertieDeviationSettlement.aspx>.

Written stakeholder comments on the draft final proposal, including the proposed classification, were due January 8, 2019. There were no objections to the decisional classification in the draft final proposal.

¹ The process is described in the [Guidance for Handling Initiatives within the Decisional Authority or Advisory Role of the EIM Governing Body](#).
