Reference: Compliance Filing

Dear Mr. Zlotlow:

On August 18, 2014, California Independent System Operator Corporation (CAISO) filed revisions to the CAISO tariff to comply with the Commission's directive in its July 17 Order.¹ Specifically, CAISO revised section 4.8.3.1.2.2 (Contractual Limitations) to remove the requirement that a joint statement must be submitted for protective measures to be unwound in the event that a dispute resolution process concludes that a resource is ineligible to receive such protective measures. Please be advised that your submittal satisfactorily complies with the Commission's July 17 Order and therefore is accepted for filing, effective May 1, 2014, the effective date granted in the July 17 Order.

The filing was noticed on August 18, 2014, with comments, protests, or motions to intervene due on or before September 8, 2014. No protests or adverse comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.
