Dear Mr. Ulmer:

On August 28, 2009, the California Independent System Operator Corporation (CAISO) filed revised tariff sheets¹ in compliance with the Commission's Order dated August 7, 2009 (August 7th Order).² Specifically, the August 7th Order directed CAISO to modify section 22.11.3 of its tariff to: (1) clarify whether an entity is operationally affected, (2) clarify the dispute resolution procedures available to an entity requesting access to non-public operating procedures, and (3) add language identifying the triggering event for the 30-day time-frame for the CAISO to provide access to non-public operating procedures. The proposed tariff changes satisfactorily comply with the Commission's directives in its August 7th Order and the proposed tariff sheets are accepted for filing, effective March 31, 2009, as requested.

The filing was noticed on August 31, 2009, with comments due on September 18, 2009. No protests or comments were filed. Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.
