ORDER OF CHIEF JUDGE GRANTING LATE-FILED  
MOTIONS FOR LEAVE TO INTERVENE

(Issued February 12, 2004)

1. Late filed motions to intervene were filed in these consolidated proceedings by: TransAlta Energy Marketing (U.S.), Inc., PPM Energy, Inc., Cargill Power Markets, LLC, PacifiCorp, Sempra Energy Solutions, Western Power Trading Forum, ConocoPhillips Company, and Morgan Stanley Capital Group Inc. ("Petitioners"). Petitioners state that they have a direct and substantial interest in the outcome of this proceeding which no party can adequately represent. No objections were filed to Petitioners' late filed motions to intervene.

2. For good cause shown, Petitioners' late-filed motions to intervene, which demonstrated an interest in this proceeding that cannot be adequately protected or presented by any other party, are hereby granted subject to the Commission's Rules and Regulations. Petitioners' participation shall be limited to matters affecting asserted rights and interests specifically set forth in their motion to intervene. The interventions granted herein shall not be the basis for broadening the issues nor for delaying or deferring any matters in these proceedings. Further, Petitioners will accept the record as it stands and participate in the settlement proceedings in good faith.
