# STAKEHOLDER WEBINAR: Documentation Consolidation for Operational Procedures

Olga Zvyagina

Lead Operations Compliance and Integration Analyst

October 22, 2018

# Agenda and Roll Call

- Discuss changes to operating procedures structure
- Demonstration of an example
- Helpful sources

# Documentation Consolidation Project

- Consolidate current public procedures into fewer documents
- Not all public procedures will be consolidated
- Consolidation of procedures aims to achieve:
  - More effective representation of information
  - One voice, one audience
  - Streamlined maintenance of content
- No content change from currently posted public procedures
