Re: Interconnection Process Enhancements (IPE) 2021 – Phase 1 Initiative

Dear Governors,

CalWEA wishes to express its support for the final proposed 2021 Interconnection Process Enhancements – Phase 1 Initiative, and to express our appreciation for staff's attentiveness and responsiveness to stakeholder concerns. In particular, we appreciate the modifications that were made on critical issues such as creating Group D for Transmission Plan Deliverability allocation.

Sincerely,

Executive Director
