**Re: California Independent System Operator Corporation
Supplement to correct the effective date of CAISO Service
Agreement No. 4819
ER18-2421-000**

Dear Secretary Bose:

The California Independent System Operator Corporation (CAISO) submits this supplement to correct the effective date of the eTariff record for CAISO Service Agreement No. 4819, Dynamic Transfer Balancing Authority Operating Agreement between the CAISO and the Nevada Power Company (NEVP), which was filed with the Commission on September 13, 2018.

Due to a clerical error, the CASIO entered the incorrect effective date of October 27, 2018, for the eTariff record. The CAISO respectfully requests that the Commission change the requested effective date of the eTariff record to reflect November 13, 2018, sixty-one days after it was filed.

The CAISO has served copies of this filing on all the parties to the service list of Docket No. ER18-2421-000. In addition, the CAISO is posting this filing on the CAISO website.
