**Re: California Independent System Operator Corporation,
Docket No. ER01-1579 -- ERRATA**

Dear Secretary Boergers:

On March 20, 2001, the California Independent System Operator Corporation ("ISO") submitted for filing Amendment No. 38 to the ISO Tariff.

It has come to our attention that one of the tariff sheets which the ISO submitted in the March 20th filing (First Revised Sheet No. 101) inadvertently included a section number (2.5.22.4) which was not intended to be inserted and which was not included in the blacklines submitted with the March 20th filing. We enclose a corrected sheet to replace the one from the March 20th filing.

I. Effective Date and Waivers Requested

The ISO further requests that the Commission grant any necessary waivers of its regulations to allow the corrected tariff sheet to become effective on the date proposed in the March 20, 2001 filing.

The Honorable David P. Boergers
