Re: San Diego Gas & Electric Company v. Sellers of Energy and Ancillary Services Into Markets Operated by the California Independent System Operator and the California Power Exchange, *et al.*, Docket Nos. EL00-95-018, *et al.*

Dear Secretary Boergers:

Enclosed for filing please find the original and fourteen copies of the Request for Rehearing of the California Independent System Operator Corporation ("ISO") submitted in the above-captioned dockets. Pursuant to 18 C.F.R. § 388.112, the ISO is requesting confidential treatment for the appendix submitted with the April 14, 2001 Report of the ISO's Department of Market Analysis.

Although the ISO does not believe that confidential treatment of this information is required under the ISO Tariff, it nonetheless is concerned that release of the information contained in this document could adversely affect the negotiations currently underway between the State of California and suppliers of electricity. Accordingly, until such time as the ISO determines that the prejudice no longer outweighs the benefits of public disclosure, the ISO respectfully requests confidential treatment of this document.
