Re: California Independent System Operator Corporation
Docket No. ER98-3594-003

Dear Secretary Boergers:

Enclosed for filing please find a submittal made by the California Independent System Operator Corporation ("ISO")¹ in compliance with the Commission's March 28, 2001 Order in the above-referenced docket. In relevant part, the Commission found on rehearing that a Participating Transmission Owner, regardless of whether it has transmission customers, must develop a Transmission Revenue Balancing Account ("TRBA"), a Transmission Revenue Requirement ("TRR"), and an Access Charge. The Commission directed the ISO, within 30 days of the issuance of the Order, to amend its tariff to be consistent with this finding. *See California Independent System Operator Corporation*, 94 FERC ¶ 61,343, 62,267, 62,268-69 (Mar. 28, 2001). Accordingly, the ISO now submits revised ISO Tariff sheets to comply with the Commission's Order.

Attachment A to the instant filing contains the modified ISO Tariff sheets. Attachment B contains the modifications in black-line format. Attachment C contains a form notice of filing suitable for publication in the Federal Register. The ISO also includes a computer disk containing the
