Southern California Edison (SCE) offers the following comments on the California Independent System Operator (CAISO) Revised Draft tariff language on RMR CPM Enhancements¹.

SCE recommends the following changes (in red):

Section 11.2.2.1

Resource Adequacy Capacity and RMR Capacity...

Section 41.2.2(c)

If the Generating Unit that would receive an RMR Contract based on cost-effectiveness criteria faces use limitations...

Section 41.5.1

...that meet the definition of Long Start Units will have the rights and obligations specified in Section 40.6.2.
