**Re: California Independent System Operator Corporation
Docket No. ER03-1102-____
Errata Filing**

Dear Secretary Salas:

On May 20, 2004, the California Independent System Operator Corporation ("ISO") submitted a compliance filing in the captioned proceeding. In submitting the compliance filing, the ISO inadvertently did not provide one of the revised ISO Tariff sheets, Sheet No. 861, that was intended to be included in Attachment A to the compliance filing. That sheet is included in Attachment 1 to the present filing. Please insert the attached sheet into Attachment A to the compliance filing. The ISO apologizes for the inconvenience.

In addition, the last word of the final complete sentence on page 5 of the transmittal letter for the compliance filing should be changed from "event" to "violation."

The present filing has been served on all parties that were sent service copies of the compliance filing. Further, in Attachment 2 to the present filing, the ISO provides a form of notice of the present filing suitable for publication in the Federal Register. The ISO is also providing to the Commission the form notice of filing on a computer diskette.

The Honorable Magalie R. Salas
