**Notice of Filing**

[ ]

Take notice that on June 17, 2002, the California Independent System Operator Corporation ("ISO") tendered for filing in the above-captioned dockets its proposed tariff amendments implementing long-term elements of its Comprehensive Market Redesign. The ISO requests: (1) that one element of the filing related to Firm Transmission Rights be made effective January 1, 2003; (2) that elements of the filing related to changes in the ISO market design be made effective on the later of May 1, 2003 or when the ISO gives notice that it is able to implement the programs; (3) that additional changes to the FTR program be made effective the later of October 1, 2003 or when the ISO gives notice that it is able to implement Locational Marginal Pricing using a Full Network Model; and (4) that the Available Capacity Obligation be made effective January 1, 2004. The ISO states that this filing has been served on the

California Public Utilities Commission, all California ISO Scheduling Coordinators, and all parties in Docket No. ER02-1656.

Any person desiring to be heard or to protest the filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. §§ 385.211 and 385.214). All such motions or protests must be filed in accordance with § 35.9 of the Commission's regulations. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection in the Public Reference Room. This filing may also be viewed on the Internet at <http://www.ferc.fed.us/online/rims.htm> (call 202-208-2222 for assistance).
