Re: Correction of Date in the California Independent System Operator
Corporation's 2003 Informational Filing

Dear Secretary Salas:

On November 8, 2002, the California Independent System Operator Corporation submitted its 2003 Grid Management Charge informational rate filing ("Informational Filing") to the Commission. The Informational Filing was submitted to the Commission on an informational basis in accordance with the terms of the Offer of Settlement and Settlement Agreement submitted to the Commission on October 17, 2002 in Docket Nos. ER02-250-000, *et al.* The transmittal letter for the Informational Filing incorrectly stated on page 6, under Section V, that the rates discussed on that page were to be effective "January 1, 2002." This date should have read "January 1, 2003" as stated elsewhere in the letter and filing.

Copies of this letter are being distributed to those entities that received copies of the Informational Filing. Two extra copies are enclosed to be stamped and returned to our messenger. Thank you for your assistance with this matter.

Sincerely,

Theodore J. Paradise

Counsel for the California Independent
System Operator Corporation
