**Re: California Independent System Operator Corporation
Docket No. ER03-____-000
Amendment No. 51 to the ISO Tariff**

Dear Secretary Salas:

On April 15, 2003, the California Independent System Operator Corporation ("ISO") submitted for filing Amendment No. 51 to the ISO Tariff. As support for Amendment No. 51, the ISO included an affidavit by Donald Fuller, the ISO's Director of Billing and Settlements. Due to the urgent nature of the filing, it was not possible to include an original signature with Mr. Fuller's affidavit, and thus a copy of the signature page was included with the filing.

The ISO now submits, as Attachment A to this letter, the original signature page for Mr. Fuller's affidavit supporting Amendment No. 51. We apologize for any inconvenience this may have caused.

The ISO has served copies of this letter and attachment on the Public Utilities Commission of the State of California, the California Energy Commission, the California Electricity Oversight Board, and on all parties with effective Scheduling Coordinator Service Agreements under the ISO Tariff.

The Hon. Magalie R. Salas

ATTACHMENT A

10. Further, the timing of this proposed change to the Tariff is critical to completion of the Refund Proceeding rerun. This change is needed to begin the preparatory rerun, so accelerated consideration of the change is requested to prevent delay in implementation of the Refund Proceeding rerun.

I swear that the facts contained in the affidavit provided above are true to the best of my knowledge, information, and belief.
