Attention: Bradley R. Miliauskas, Esquire
Attorney for California Independent System
Operator Corporation

Reference: Compliance Filing

Dear Mr. Miliauskas:

On October 28, 2009, as superseded on November 13, 2009, you submitted for filing, on behalf of the California Independent System Operator Corporation (CAISO), revised tariff sheets to reflect an effective date of November 12, 2009 for the CAISO's simplified ramping tariff provisions.¹ The proposed tariff sheets filed on November 13, 2009 are accepted for filing effective November 12, 2009 consistent with the effective date granted in the Commission's letter order issued November 12, 2009 in Docket No. ER09-556-000, *et al.* CAISO's tariff sheets filed on October 28, 2009 are rejected as moot since they have been superseded.

These filings were noticed on November 3 and November 17, 2009, with comments, protests, or motions to intervene due on or before November 18 and

¹ The tariff sheets also reflect a ministerial correction: the tariff sheet containing section 34.5(10) was modified to reflect the deletion of the phrase "the Regulation Ramp Rate of the resource rather than" which had previously been accepted by the Commission.

December 4, 2009, respectively. No protests or comments were filed. Notices of intervention and unopposed timely filed motions to intervene are granted pursuant to the operation of Rule 214 of the Commission's Rules of Practice and Procedure (18 C.F.R. § 385.214). Any opposed or untimely filed motion to intervene is governed by the provisions of Rule 214.

This acceptance for filing shall not be construed as constituting approval of the referenced filing or of any rate, charge, classification or any rule, regulation or practice affecting such rate or service contained in your tariff; nor shall such acceptance be deemed as recognition of any claimed contractual right or obligation associated therewith; and such acceptance is without prejudice to any findings or orders which have been or any which may hereafter be made by the Commission in any proceeding now pending or hereafter instituted by or against California Independent System Operator Corporation.

This action is taken pursuant to the authority delegated to the Director, Division of Electric Power Regulation – West, under 18 C.F.R. § 375.307. This order constitutes final agency action. Requests for rehearing by the Commission may be filed within 30 days of the date of issuance of this order pursuant to 18 C.F.R. § 385.713.

Sincerely,

Steve P. Rodgers, Director
Division of Electric Power Regulation -
West
