Robert Foster
Chairman
California ISO Board of Governors
250 Outcropping Way
Folsom, CA 95630

Dear Chairman Foster:

I am writing on behalf of the Solar Energy Industries Association (SEIA) to express SEIA's strong support of Kellie Macpherson's nomination to serve on the California ISO (CAISO) Energy Imbalance Market (EIM) Transitional Committee.

SEIA is the national trade association of the United States solar industry. Through advocacy and education, SEIA and its 1,000 member companies work to make solar energy a mainstream and significant energy source by expanding markets, removing market barriers, strengthening the industry, and educating the public on the benefits of solar energy.

Kellie currently serves as Compliance Manager for Recurrent Energy (Recurrent)—one of the largest solar PV developers in North America. In her role, Kellie is closely involved in all aspects of solar project development and is responsible for ensuring Recurrent's compliance with the extensive regulatory requirements throughout the Western region. Kellie's proven understanding of the regulatory framework in the various Western markets as well her ability to provide the perspective of an established developer of renewable energy offers a unique outlook which SEIA believes will be critical to the work of the Transitional Committee.

Additionally, Kellie's work as a member of the Western Interconnection Compliance Forum (WICF) and the North American Generator Forum (NAGF), as well as Recurrent's leadership and coordination amongst the solar industry (Recurrent's CEO currently serves as Chairman of the SEIA Board of Directors) illustrates a commitment to collaborative efforts which enable workable outcomes for a diverse group of stakeholders with varying interests—a commitment that is a crucial component to the ultimate success of the EIM.

SEIA believes Kellie's vision and expertise will be invaluable to the EIM Transitional Committee and we strongly support her nomination. Thank you very much for your consideration.

Sincerely,

A handwritten signature in black ink that reads "Carrie Cullen Hitt".

Carrie Cullen Hitt
Senior Vice President, State Affairs
Solar Energy Industries Association
