**Re:** Notice of Planned Decisional Classification for “Temporary Shutdown of Resource Operations”

---

***Any objection by the Chairs to this decisional classification is due by October 19, 2017.***

This is formal notice of ISO Management’s initial decisional classification for the “temporary shutdown of resource operations” initiative. Any objection by the Chairs to the initial decisional classification is due by October 19, 2017. Otherwise, this initiative will be presented for decision consistent with the classification described below.<sup>1</sup>

This initiative does not fall within the authority delegated to the EIM Governing Body. The initiative will go to the Board for approval and the EIM Governing Body will have no role in approval.

This classification is consistent with the classification presented in the Briefing on Policy Outlook at the July 13, 2017 EIM Governing Body meeting.

The draft final proposal for this initiative is located at:
