**Re: California Independent System Operator Corporation,
Docket No. ER06-54-000**

Dear Secretary Salas:

On October 19, 2005, the California Independent System Operator Corporation ("ISO") submitted in the captioned docket the Interconnected Control Area Operating Agreement ("ICAOA") between the ISO and the Turlock Irrigation District ("Turlock"). In the transmittal letter for that filing (at 1), the ISO explained that due to time constraints, it was submitting the ICAOA unilaterally (*i.e.*, without Turlock's signature). The ISO now provides, in Attachment A to the present filing, the signature page for the ICAOA, signed by the ISO and Turlock.

In addition, the ISO notes that Turlock has committed to submit schedules to the ISO using the ISO's Scheduling Infrastructure system through a Scheduling Coordinator. The ISO appreciates that commitment by Turlock.
