**Re: California Independent System Operator Corporation
Supplement to correct the effective date of CAISO Rate
Schedule No. 95
Docket No. ER17-2387-000**

Dear Secretary Bose:

The California Independent System Operator Corporation (CAISO) submits this supplement to correct the effective date of the eTariff record for CAISO Rate Schedule No. 95, Transferred Frequency Response Agreement between the CAISO and the Bonneville Power Administration, which was filed with the Commission on August 30, 2017.

Due to a clerical error, the CASIO entered the incorrect effective date of November 1, 2017 for the eTariff record. The CAISO respectfully requests that the Commission change the requested effective date of the eTariff record to reflect December 1, 2017.

The CAISO has served copies of this filing on all the parties to the service list of Docket No. ER17-2387-000. In addition, the CAISO is posting this filing on the CAISO website.

Honorable Kimberly D. Bose
