**Re: California Independent System Operator Corporation  
Second Amendment to Market Efficiency Enhancement  
Agreement**

**Docket No. ER18-2429-001**

Dear Secretary Bose:

The California Independent System Operator Corporation (CAISO) submits for filing with the Commission the Second Amendment (Second Amendment) to the Market Efficiency Enhancement Agreement (MEEA) between the CAISO and the Sacramento Municipal Utility District (SMUD),<sup>1</sup> which the CAISO separately filed a first amendment to the Market Efficiency Enhancement Agreement for Commission acceptance in this proceeding on September 14, 2018. The CAISO respectfully requests that the Commission make this Second Amendment effective on November 29, 2018.

**I. Background and Request for Consolidation**

The MEEA sets forth provisions pursuant to which the CAISO models and prices interchange transactions between the CAISO and SMUD in a manner that reflects the resources that support those transactions. The Commission accepted the original version of the MEEA in 2013.<sup>2</sup>

Concurrently with the filing of this Second Amendment, the CAISO is also filing a First Amendment to the MEEA (First Amendment), which the CAISO requests the Commission to accept effective September 15, 2018, *i.e.*, one day after the date of filing. To the extent necessary, the CAISO respectfully requests that the Commission consolidate the proceedings on the First Amendment and the Second Amendment in the same docket. The CAISO intends that the

<sup>1</sup> The CAISO submits the Amendment pursuant to Section 205 of the Federal Power Act, 16 U.S.C. § 824d, and Part 35 of the Commission's regulations, 18 C.F.R. Part 35.

<sup>2</sup> *Cal. Indep. Sys. Operator Corp.*, 145 FERC ¶ 61,036 (2013). The MEEA is designated as CAISO Service Agreement No. 2886.

Commission consider the two filings together and would have submitted them in a single filing but for issues related to regulatory requirements that the CAISO believes do not permit a single filing.

The CAISO requests that the Commission accept the Second Amendment to the MEEA effective as of November 29, 2018, *i.e.*, the planned implementation date of the CAISO's Full Network Model.

## **II. Purpose of the Second Amendment**

The purpose for this Second Amendment is to revise the MEEA to transition from the temporary configuration addressed in the First Amendment to the long-term configuration of the Sutter Energy Center by modeling the locations of the Sutter Energy Center supply resource's injections and withdrawals to the Sutter Substation, which requires a modification to the CAISO's Full Network Model that is expected to occur on November 29, 2018.

## **III. Effective Date**

The CAISO respectfully requests that the Commission accept the Second Amendment effective as of November 29, 2018. November 29 is the planned implementation date of the long-term configuration in conjunction with the updated CAISO's Full Network Model, as intended by the CAISO and SMUD. Granting the requested effective date, therefore, is appropriate.

## **IV. Service**

The CAISO has served copies of this filing upon all parties to the proceeding in which the Commission accepted the original MEEA (Docket ER13-2178-000), the California Public Utilities Commission, and the California Energy Commission. The CAISO has also posted this filing on the CAISO website.

## **V. Correspondence**

Pursuant to Rule 203(b)(3) of the Commission's Rules of Practice and Procedure,<sup>3</sup> the CAISO requests that all correspondence, pleadings, and other communications concerning this filing be served upon the following:

**4.1.1 Use of Information Required to Implement this Market Efficiency Enhancement Agreement.** The CAISO shall use the information specified in Schedule 1, in addition to modeling information set forth in Schedule 2 of this Agreement, solely to model and price imports and exports between the MEEA Entity and the CAISO in accordance with CAISO Tariff Section 27.5.3.2.

**4.1.2 Updates of Information Provided to Implement a Market Efficiency Enhancement Agreement.** Each Party may request in writing an update to the data specified in Schedule 1 and Schedule 2 of this Agreement. The Parties agree to meet and confer as soon as practicable but not more than within thirty (30) days of any such request for an update to discuss and resolve any such request.

### **4.1.3 Post-Operations Provision of Data by the MEEA Entity**

After the Effective Date, the MEEA Entity has agreed to provide ongoing data to the CAISO (“Ongoing MEEA Data”) in order to assist the CAISO in evaluating MEEA Transactions, including “Identified Transactions,” as set forth in Section 5.1.1 of this Agreement. The Parties agree to meet and confer at least on an annual basis to assess any changes to the Ongoing MEEA Data. The protocol for providing Ongoing MEEA Data and any change management thereto shall be fully set forth in Schedule 3 of this Agreement.

**4.2 Market Efficiency Enhancement Agreement-Specific Price.** The CAISO shall calculate a MEEA-specific LMP that reflects the nodes where the supply resources are located as specified in Schedule 1 in accordance with CAISO Tariff Section 27.5.3.2 and which applies the modeling information in accordance with Schedule 2 of this Agreement.

MEEA signatories may obtain and use other Resource IDs to submit Bids, including Self-Schedules, that are not covered by this Agreement. Prior to obtaining and settling MEEA Resource ID(s), the relevant Scheduling Coordinator shall attest that use of its MEEA Resource ID(s) shall mean that the MEEA Transaction is supported by a resource identified in its MEEA Portfolio. **4.4 Measures of Preserve Confidentiality of Data.** Data provided by the MEEA Entity to the CAISO pursuant to Sections 4.1 and 4.3 shall be treated as confidential data in accordance with CAISO Tariff Section 27.5.3.5 and used solely by the CAISO for the purposes set forth in this Agreement.

## **ARTICLE V**

### **MEEA Pricing**

**5.1 MEEA-Specific Settlement Pricing.** Except as provided in Sections 5.1.1 and 5.1.2 below, transactions conducted by the MEEA Entity using its MEEA Resource ID(s) shall be considered a “MEEA Transaction” and settled by the CAISO at the MEEA-specific price. For purposes of this Agreement and validation, a transaction shall be deemed to be a MEEA Transaction if the amount of Energy scheduled under a MEEA Resource ID is equal to or less than the amount by which the total MEEA Entity

energy exports exceed total imports to the MEEA Entity using non-firm transmission for any scheduling period.

**5.1.1 Identified Transactions.** Notwithstanding Section 5.1 above, and without waiving the CAISO's formal right to audit MEEA Transactions described in Section 11.10 below, certain pre-identified MEEA Transactions ("Identified Transactions") may, at the CAISO's discretion, trigger the need for additional verification by the CAISO through a less formalized meet and confer process, as further described in Section 5.2 below. Identified Transactions to be evaluated based on final real time Energy include:

- (a) Any transaction where the MEEA Entity's metered Generation is less than the MEEA sale to CAISO; or
- (b) Any transaction where there is an import to the MEEA Entity from the Northwest, or from an entity within the IBAA footprint, tagged using "non-firm" transmission and simultaneously there is a MEEA sale to the CAISO without a corresponding export from the MEEA Entity to another entity within the IBAA footprint, to the CAISO Balancing Authority Area scheduled as an IBAA transaction, or to the Northwest; or
- (c) Any hour where the combined day-ahead and active-day transactions for *MEEA Entity gross MEEA sales* exceed the net of *MEEA Entity total sales less MEEA Entity total imports on non-firm transmission*, where:
  - (i) *MEEA Entity gross MEEA sales* equals day-ahead and active-day MEEA sales; and
  - (ii) *MEEA Entity total sales* equals MEEA Entity gross MEEA sales + MEEA Entity day-ahead and active-day IBAA sales + MEEA Entity day-ahead and active-day non-CAISO sales; and
  - (iii) *MEEA Entity total imports on non-firm transmission* equals day-ahead imports to MEEA Entity on non-firm transmission + active-day imports to MEEA Entity on non-firm transmission.

**5.1.2 Informal Review of Identified Transactions.** The CAISO may request to meet and confer with the MEEA Entity for any Identified Transaction prior to the issuance of a T+12B recalculation settlement statement for the relevant settlement period. If such a request is made by the CAISO, the MEEA Entity shall cooperate and provide additional information to the CAISO as soon as practicable to support why any of the Identified Transactions are valid MEEA Transactions. If the Parties mutually agree, as evidenced by an email or other form of mutual written confirmation with

sufficient description to identify the subject transaction, that the MEEA Transaction(s) subject to this Section are invalid, the CAISO shall not apply the MEEA-specific price to the agreed-upon transaction(s) for the incremental T+ 55B settlement statement (i.e., the CAISO shall settle the transaction at the IBAA price). If the Parties are unable to agree that the MEEA Transaction(s) subject to this Section are invalid, the CAISO may conduct an audit, as provided in Section 11.10, or institute Dispute Resolution, as provided in Section 7.1 with respect to the Identified Transactions, however, until resolved, the MEEA-specific price shall apply. If there are MEEA Transactions that are reversed to IBAA transactions the Parties will meet and confer as soon as practicable. If there are two (2) or more reversal events per quarter, up to a maximum of four (4) per year after the Effective Date, the Parties shall additionally meet to consider changes to the MEEA Transaction definition. If the Parties are unable to agree within sixty (60) calendar days, then the CAISO shall have the right to terminate this Agreement in accordance with Section 3.2.1.

## ARTICLE VI

### COSTS

- 6.1 Operating and Maintenance Costs.** The MEEA Entity shall be responsible for all its costs incurred in connection with meeting its obligations under this Agreement.

## ARTICLE VII

### DISPUTE RESOLUTION

- 7.1 Dispute Resolution.** The Parties shall make reasonable efforts to settle all disputes arising out of or in connection with this Agreement. In the event any dispute is not settled, the Parties shall adhere to the CAISO ADR Procedures set forth in Section 13 of the CAISO Tariff, which is incorporated by reference, except that any reference in Section 13 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement.

## ARTICLE VIII

- 9.1 Liability.** The provisions of Section 14 of the CAISO Tariff will apply to liability arising under this Agreement, except that all references in Section 14 of the CAISO Tariff to Market Participants shall be read as references to the Market Efficiency Enhancement Agreement Entity and references to the CAISO Tariff shall be read as references to this Agreement.

**ARTICLE X****UNCONTROLLABLE FORCES**

- 10.1 Uncontrollable Forces Tariff Provisions.** Section 14.1 of the CAISO Tariff shall be incorporated by reference into this Agreement except that all references in Section 14.1 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement.

**ARTICLE XI****MISCELLANEOUS**

- 11.1 Assignments.** Either Party may assign or transfer any or all of its rights and/or obligations under this Agreement with the other Party's prior written consent in accordance with Section 22.2 of the CAISO Tariff. Such consent shall not be unreasonably withheld. Any such transfer or assignment shall be conditioned upon the successor in interest accepting the rights and/or obligations under this Agreement as if said successor in interest was an original Party to this Agreement.
- 11.2 Notices.** Any notice, demand or request which may be given to or made upon either Party regarding this Agreement shall be made in accordance with Section 22.4 of the CAISO Tariff, provided that all references in Section 22.4 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement, and unless otherwise stated or agreed shall be made to the representative of the other Party indicated in Schedule 4. A Party must update the information in Schedule 4 of this Agreement as information changes. Such changes shall not constitute an amendment to this Agreement.
- 11.3 Waivers.** Any waivers at any time by either Party of its rights with respect to any default under this Agreement, or with respect to any other matter arising in connection with this Agreement, shall not constitute or be deemed a waiver with respect to any subsequent default or other matter arising in connection with this Agreement. - 11.8 Amendments.** Except as provided in Section 4.1.3, this Agreement and the Schedules attached hereto may be amended from time to time by the mutual agreement of the Parties in writing. Amendments that require FERC approval shall not take effect until FERC has accepted such amendments for filing and made them effective. Nothing contained herein shall be construed as affecting in any way the right of the CAISO to unilaterally make application to FERC for a change in the rates, terms and conditions of this Agreement under Section 205 of the FPA and pursuant to FERC's rules and regulations promulgated thereunder.
- 11.9 Counterparts.** This Agreement may be executed in one or more counterparts at different times, each of which shall be regarded as an original and all of which, taken together, shall constitute one and the same Agreement.

**11.10 Audit Rights.** The CAISO reserves the right to audit data supplied pursuant to Section 4.1 for the limited purposes of verifying that the MEEA Entity accurately represented available resources and met the requirements specified for MEEA-specific LMP pricing in accordance with CAISO Tariff Section 27.5.3.7. The CAISO shall make every effort to provide a reasonable time period for which it chooses to audit the MEEA Entity and further agrees that its audits under this Section shall be limited to those MEEA Transactions that occurred no greater than one (1) year prior to the date of the written audit request provided to the MEEA Entity. Notwithstanding the foregoing, nothing in this Agreement, including specifically the foregoing limitation, shall limit the CAISO's rights under the CAISO Tariff with respect to the Rules of Conduct.

**11.11 No-Precedent.** The terms and conditions reached by the Parties herein are not intended to limit or otherwise restrict future MEEA negotiations with other entities within the existing IBAA that are not Parties to this Agreement.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Agreement to be duly executed on behalf of each by and through their authorized representatives as of the date hereinabove written.

**[Section 4.1.1]**

The supply resources controlled by the MEEA Entity will be represented in the CAISO's Full Network Model (FNM) as aggregated resources at high-voltage (230 kV) substations located within the MEEA Entity's network that are electrically close to the underlying physical resources, as follows:

- Lake Substation: Upper American River Project hydroelectric generation,
- Rancho Seco Substation: Cosumnes Generating Station, and
- Hurley Substation: Other supply resources.
  
- Sutter Substation: Specific to Sutter Energy Center

Distribution factors used in the FNM for representing the MEEA Entity's import bids to the CAISO, and for calculating the weighted average price among these resource locations in the CAISO's settlements, will be established by the CAISO through consultation with the MEEA Entity. The distribution factors will vary by season and time-of-use period based on representative actual output, and be updated at least twice per year to reflect recent years' actual production and expected hydroelectric conditions during the period in which the factors will be applicable.

Initially, the seasons used in the distribution factors will be January through May, and June through December. Time-of-use periods will follow standard definitions established for the WECC region. These seasons and periods may be adjusted as needed during consultations between the CAISO and the MEEA Entity.

The same distribution factors will represent the MEEA Entity's export bids in the CAISO's FNM and for settlements.

## **ARTICLE IV**

### **GENERAL TERMS AND CONDITIONS**

**4.1 Market Efficiency Enhancement Agreement Portfolio and Modeling.** Through the provision of information by the MEEA Entity to the CAISO in accordance with CAISO Tariff Section 27.5.3.2, the CAISO and the MEEA Entity have established a MEEA Portfolio which comprises the supply resources specified in Schedule 1 of this Agreement and which shall be modeled in accordance with Schedule 2 of this Agreement.

**4.1.1 Use of Information Required to Implement this Market Efficiency Enhancement Agreement.** The CAISO shall use the information specified in Schedule 1, in addition to modeling information set forth in Schedule 2 of this Agreement, solely to model and price imports and exports between the MEEA Entity and the CAISO in accordance with CAISO Tariff Section 27.5.3.2.

**4.1.2 Updates of Information Provided to Implement a Market Efficiency Enhancement Agreement.** Each Party may request in writing an update to the data specified in Schedule 1 and Schedule 2 of this Agreement. The Parties agree to meet and confer as soon as practicable but not more than within thirty (30) days of any such request for an update to discuss and resolve any such request.

#### **4.1.3 Post-Operations Provision of Data by the MEEA Entity**

After the Effective Date, the MEEA Entity has agreed to provide ongoing data to the CAISO (“Ongoing MEEA Data”) in order to assist the CAISO in evaluating MEEA Transactions, including “Identified Transactions,” as set forth in Section 5.1.1 of this Agreement. The Parties agree to meet and confer at least on an annual basis to assess any changes to the Ongoing MEEA Data. The protocol for providing Ongoing MEEA Data and any change management thereto shall be fully set forth in Schedule 3 of this Agreement.

**4.2 Market Efficiency Enhancement Agreement-Specific Price.** The CAISO shall calculate a MEEA-specific LMP that reflects the nodes where the supply resources are located as specified in Schedule 1 in accordance with CAISO Tariff Section 27.5.3.2 and which applies the modeling information in accordance with Schedule 2 of this Agreement.

**4.3 Application of Market Efficiency Enhancement Agreement-Specific Pricing in any Settlement Interval or Settlement Period.** The CAISO will establish Resource IDs that are to be used only to submit Bids, including Self-Schedules, for the purpose of obtaining MEEA-specific pricing (“MEEA Resource ID”). MEEA signatories may obtain and use other Resource IDs to submit Bids, including Self-Schedules, that are not covered by this Agreement. Prior to obtaining and settling MEEA Resource ID(s), the relevant Scheduling Coordinator shall attest that use of its MEEA Resource ID(s) shall mean that the MEEA Transaction is supported by a resource identified in its MEEA Portfolio. This attestation shall be executed under oath by an officer of the MEEA Entity with knowledge of the MEEA Entity signatory’s operations.

**4.4 Measures of Preserve Confidentiality of Data.** Data provided by the MEEA Entity to the CAISO pursuant to Sections 4.1 and 4.3 shall be treated as confidential data in accordance with CAISO Tariff Section 27.5.3.5 and used solely by the CAISO for the purposes set forth in this Agreement.

## **ARTICLE V**

### **MEEA Pricing**

**5.1 MEEA-Specific Settlement Pricing.** Except as provided in Sections 5.1.1 and 5.1.2 below, transactions conducted by the MEEA Entity using its MEEA Resource ID(s) shall be considered a “MEEA Transaction” and settled by the CAISO at the MEEA-specific price. For purposes of this Agreement and validation, a transaction shall be deemed to be a MEEA Transaction if the amount of Energy scheduled under a MEEA Resource ID is equal to or less than the amount by which the total MEEA Entity

energy exports exceed total imports to the MEEA Entity using non-firm transmission for any scheduling period.

**5.1.1 Identified Transactions.** Notwithstanding Section 5.1 above, and without waiving the CAISO's formal right to audit MEEA Transactions described in Section 11.10 below, certain pre-identified MEEA Transactions ("Identified Transactions") may, at the CAISO's discretion, trigger the need for additional verification by the CAISO through a less formalized meet and confer process, as further described in Section 5.2 below. Identified Transactions to be evaluated based on final real time Energy include:

- (a) Any transaction where the MEEA Entity's metered Generation is less than the MEEA sale to CAISO; or
- (b) Any transaction where there is an import to the MEEA Entity from the Northwest, or from an entity within the IBAA footprint, tagged using "non-firm" transmission and simultaneously there is a MEEA sale to the CAISO without a corresponding export from the MEEA Entity to another entity within the IBAA footprint, to the CAISO Balancing Authority Area scheduled as an IBAA transaction, or to the Northwest; or
- (c) Any hour where the combined day-ahead and active-day transactions for *MEEA Entity gross MEEA sales* exceed the net of *MEEA Entity total sales less MEEA Entity total imports on non-firm transmission*, where:
  - (i) *MEEA Entity gross MEEA sales* equals day-ahead and active-day MEEA sales; and
  - (ii) *MEEA Entity total sales* equals MEEA Entity gross MEEA sales + MEEA Entity day-ahead and active-day IBAA sales + MEEA Entity day-ahead and active-day non-CAISO sales; and
  - (iii) *MEEA Entity total imports on non-firm transmission* equals day-ahead imports to MEEA Entity on non-firm transmission + active-day imports to MEEA Entity on non-firm transmission.

**5.1.2 Informal Review of Identified Transactions.** The CAISO may request to meet and confer with the MEEA Entity for any Identified Transaction prior to the issuance of a T+12B recalculation settlement statement for the relevant settlement period. If such a request is made by the CAISO, the MEEA Entity shall cooperate and provide additional information to the CAISO as soon as practicable to support why any of the Identified Transactions are valid MEEA Transactions. If the Parties mutually agree, as evidenced by an email or other form of mutual written confirmation with

sufficient description to identify the subject transaction, that the MEEA Transaction(s) subject to this Section are invalid, the CAISO shall not apply the MEEA-specific price to the agreed-upon transaction(s) for the incremental T+ 55B settlement statement (i.e., the CAISO shall settle the transaction at the IBAA price). If the Parties are unable to agree that the MEEA Transaction(s) subject to this Section are invalid, the CAISO may conduct an audit, as provided in Section 11.10, or institute Dispute Resolution, as provided in Section 7.1 with respect to the Identified Transactions, however, until resolved, the MEEA-specific price shall apply. If there are MEEA Transactions that are reversed to IBAA transactions the Parties will meet and confer as soon as practicable. If there are two (2) or more reversal events per quarter, up to a maximum of four (4) per year after the Effective Date, the Parties shall additionally meet to consider changes to the MEEA Transaction definition. If the Parties are unable to agree within sixty (60) calendar days, then the CAISO shall have the right to terminate this Agreement in accordance with Section 3.2.1.

## ARTICLE VI

### COSTS

- 6.1 Operating and Maintenance Costs.** The MEEA Entity shall be responsible for all its costs incurred in connection with meeting its obligations under this Agreement.

## ARTICLE VII

### DISPUTE RESOLUTION

- 7.1 Dispute Resolution.** The Parties shall make reasonable efforts to settle all disputes arising out of or in connection with this Agreement. In the event any dispute is not settled, the Parties shall adhere to the CAISO ADR Procedures set forth in Section 13 of the CAISO Tariff, which is incorporated by reference, except that any reference in Section 13 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement.

## ARTICLE VIII

- 8.1 Representation and Warranties.** Each Party represents and warrants that the execution, delivery and performance of this Agreement by it has been duly authorized by all necessary corporate and/or governmental actions, to the extent authorized by law.

**ARTICLE IX****LIABILITY**

- 9.1 Liability.** The provisions of Section 14 of the CAISO Tariff will apply to liability arising under this Agreement, except that all references in Section 14 of the CAISO Tariff to Market Participants shall be read as references to the Market Efficiency Enhancement Agreement Entity and references to the CAISO Tariff shall be read as references to this Agreement.

**ARTICLE X****UNCONTROLLABLE FORCES**

- 10.1 Uncontrollable Forces Tariff Provisions.** Section 14.1 of the CAISO Tariff shall be incorporated by reference into this Agreement except that all references in Section 14.1 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement.

**ARTICLE XI****MISCELLANEOUS**

- 11.1 Assignments.** Either Party may assign or transfer any or all of its rights and/or obligations under this Agreement with the other Party's prior written consent in accordance with Section 22.2 of the CAISO Tariff. Such consent shall not be unreasonably withheld. Any such transfer or assignment shall be conditioned upon the successor in interest accepting the rights and/or obligations under this Agreement as if said successor in interest was an original Party to this Agreement.
- 11.2 Notices.** Any notice, demand or request which may be given to or made upon either Party regarding this Agreement shall be made in accordance with Section 22.4 of the CAISO Tariff, provided that all references in Section 22.4 of the CAISO Tariff to Market Participants shall be read as a reference to the MEEA Entity and references to the CAISO Tariff shall be read as references to this Agreement, and unless otherwise stated or agreed shall be made to the representative of the other Party indicated in Schedule 4. A Party must update the information in Schedule 4 of this Agreement as information changes. Such changes shall not constitute an amendment to this Agreement.
- 11.3 Waivers.** Any waivers at any time by either Party of its rights with respect to any default under this Agreement, or with respect to any other matter arising in connection with this Agreement, shall not constitute or be deemed a waiver with respect to any subsequent default or other matter arising in connection with this Agreement. Any delay, short of the

statutory period of limitations, in asserting or enforcing any right under this Agreement shall not constitute or be deemed a waiver of such right.

- 11.4 Governing Law and Forum.** This Agreement shall be deemed to be a contract made under, and for all purposes shall be governed by and construed in accordance with, the laws of the State of California, except its conflict of law provisions. The Parties irrevocably consent that any action or proceeding arising under or relating to this Agreement shall be subject to Section 27.5.3.6 of the CAISO Tariff.

- 11.6 Merger.** This Agreement constitutes the complete and final agreement of the Parties with respect to the subject matter hereof and supersedes all prior agreements, whether written or oral, with respect to such subject matter.
- 11.7 Severability.** If any term, covenant, or condition of this Agreement or the application or effect of any such term, covenant, or condition is held invalid as to any person, entity, or circumstance, or is determined to be unjust, unreasonable, unlawful, imprudent, or otherwise not in the public interest by any court or government agency of competent jurisdiction, then such term, covenant, or condition shall remain in force and effect to the maximum extent permitted by law, and all other terms, covenants, and conditions of this Agreement and their application shall not be affected thereby, but shall remain in force and effect and the Parties shall be relieved of their obligations only to the extent necessary to eliminate such regulatory or other determination unless a court or governmental agency of competent jurisdiction holds that such provisions are not separable from all other provisions of this Agreement.
- 11.8 Amendments.** Except as provided in Section 4.1.3, this Agreement and the Schedules attached hereto may be amended from time to time by the mutual agreement of the Parties in writing. Amendments that require FERC approval shall not take effect until FERC has accepted such amendments for filing and made them effective. Nothing contained herein shall be construed as affecting in any way the right of the CAISO to unilaterally make application to FERC for a change in the rates, terms and conditions of this Agreement under Section 205 of the FPA and pursuant to FERC's rules and regulations promulgated thereunder.
- 11.9 Counterparts.** This Agreement may be executed in one or more counterparts at different times, each of which shall be regarded as an original and all of which, taken together, shall constitute one and the same Agreement.

**11.10 Audit Rights.** The CAISO reserves the right to audit data supplied pursuant to Section 4.1 for the limited purposes of verifying that the MEEA Entity accurately represented available resources and met the requirements specified for MEEA-specific LMP pricing in accordance with CAISO Tariff Section 27.5.3.7. The CAISO shall make every effort to provide a reasonable time period for which it chooses to audit the MEEA Entity and further agrees that its audits under this Section shall be limited to those MEEA Transactions that occurred no greater than one (1) year prior to the date of the written audit request provided to the MEEA Entity. Notwithstanding the foregoing, nothing in this Agreement, including specifically the foregoing limitation, shall limit the CAISO's rights under the CAISO Tariff with respect to the Rules of Conduct.

**11.11 No-Precedent.** The terms and conditions reached by the Parties herein are not intended to limit or otherwise restrict future MEEA negotiations with other entities within the existing IBAA that are not Parties to this Agreement.

**IN WITNESS WHEREOF**, the Parties hereto have caused this Agreement to be duly executed on behalf of each by and through their authorized representatives as of the date hereinabove written.
