**Re: California Independent System Operator Corporation
Docket No. RT01-85-000**

Dear Secretary Salas:

The California Independent System Operator Corporation ("CAISO") respectfully submits fourteen copies of this supplement response to the Commission's August 1, 2005 Order Terminating Proceedings, 112 FERC ¶ 61,136 ("Order Terminating Proceedings"), issued in the above-captioned docket.

The Order Terminating Proceedings provided for the docket to automatically terminate without further order unless the CAISO notified the Commission within 21 days that the submittals have not been overtaken by superseding events. On August 22, 2005, the CAISO filed a response requesting that the Order Terminating Proceedings be rescinded for good cause and the docket remain open pending further notification, to be provided no later than September 15, 2005, whether this proceeding should remain active.

Please be advised that the CAISO has no objection to the Commission's proposed termination of this docket.

Two additional copies of this filing are enclosed to be date-stamped and returned to us via Federal Express mail. If there are questions concerning this filing, please contact the undersigned.

Respectfully yours,

Beth Ann Burns
