NOTICE OF CORRECTIONS TO MUST-RUN SELECTION

(February 5, 1998)

Take notice that on February 2, 1998, the California Independent System Operator Corporation (ISO), filed corrections to its Must-Run Unit List, originally submitted for filing on December 12, 1997 in this proceeding. The ISO requests waiver of the 60 day notice requirement to allow the proposed filing to take effect as of the ISO operations date.

Any person desiring to be heard or to protest said filing should file a motion to intervene or protest with the Federal Energy Regulatory Commission, 888 First Street, N.E., Washington, D.C. 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 18 CFR 385.214). All such motions or protests should be filed on or before February 20, 1998. Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a motion to intervene. Copies of this filing are on file with the Commission and are available for public inspection
